Issue 17

WB 29th January 2018

This Week at Hearsall

In school next week we will be learning more about Esafety for this year's Safer Internet Day. It is a very valuable opportunity for children to learn about how to keep themselves safe online but also to understand how important it is to play age-appropriate games. We will be talking about Esafety all week and children will be completing activities designed to help them stay safe and play safe online.

Safer Internet Day 2018

Tuesday 6 February

Update! Mrs Harrison has been doing her finger-wiggling exercises and getting a bit bored at home too! She will be back on Monday and is really looking forward to seeing children, parents and staff!

We held SATs meetings for Year 6 and Year 2 parents on Tuesday and Wednesday evening this week. I would like to thank parents for taking the time to come and find out all about SATs and how best to support their child. Some parents even came two evenings running! If you were unable to make the meeting, please contact your child's class teacher who will be able to give you the information handed out and answer any queries you may still have about SATs.

Staff have noticed a number of children who are not wearing correct school uniform. Please make sure your child is smart for school; wearing school uniform with plain, black shoes or plain, black trainers. Children are not permitted to wear bracelets or nail varnish and only stud earrings. For more information please go to the Parents Zone on the school website - hearsallacademy.org

MUGA update: The Friends of Hearsall have worked tirelessly over a number of years to raise the funds for the Multi-Use Games Area. We understand that a large part of the fundraising has been fantastically supported by parents of year 5 and 6 children through their time at school. By way of a thank you we are planning an exciting sporting experience day for those children, Miss Lewis is on the case and so we are expecting something special! We are aware the area is currently occupied by the builders and we want to reassure parents that we are still committed to raising the money and would really appreciate your support for the last push to reach the final goal. We still need £5,000 and we would love people to get involved with the Coventry Mile which will be running on Sunday 18th March.

This is a popular event and a fantastic way to raise money for the school through sponsorship and to keep fit. Details to follow! Of course, when the MUGA is installed and complete we would love to invite those children who have left Hearsall back to the opening of the MUGA and experience all it has to offer.

Have a lovely weekend,

Mrs C Jackson, Deputy Head Teacher

The School Calendar

Upcoming events!

Don't forget to check Class Dojo for regular updates

Week 5 w/c 5/2	Agility Competition at XCEL Leisure Centre Yoimoji launch for Bravery

Other News

Reception

Reception are learning all about their favourite book, *The Gruffalo* by Julia Donaldson. They

have created their own story maps to show the structure of the story and have completed writing to accompany their pictures. They have also made representations of the key characters in the creative area including snake and owl, acted out the story in the small world area and have enjoyed paper clipping the purple prickles on the Gruffalo's back in the motor skills area.

Year 1 Family Assembly

On Wednesday Year 1 had their Family Assembly. They worked incredibly hard and put on a fantastic show for their parents. We are so proud of them all! They spoke confidently, sang beautifully and showed just how much they have learnt already this year. Well done everyone!

Yoimoji for February:
Bravery

Parking

There have been a number of concerns from parents about the parking around the school at the start and end of the day. Our primary concern is always the children's safety and as some children walk home from school alone we must make sure they are safe to do so.

Please, please park safely. Use the surrounding roads and take a couple of minutes to walk a bit further. Please do not park on the chevron area by school or on double yellow lines. We have asked the Community Police to help us ensure children are safe at the end of the day.

Year 4 – Bike Expert

The children learned all about the 'Giant' bicycle company and got to see some of the bikes they manufacture. Some of the children compared the weights of the bikes, with one bike weighing only 6kg. They were both shocked and amazed to learn that the bike cost a whopping £8000!

Merit Awards

Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
No Merit	Cassie R	Jaiden R	Autumn W	Harry C	Isaac R Jack G	Ben N
No Merit	Paawan P	Isla T	Orestis K	No Merit	Abbie T	No Merit

Birthday Zone

Birthdays from 29/01/18 - 04/02/18 - Happy Birthday!
