Issue 3

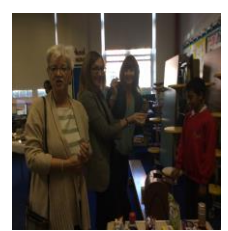

WB 24th September 2018

This Week at Hearsall

Macmillan Coffee Morning- Friday 28th September 2018

We are delighted to announce that last week's non- school uniform day raised nearly £300 pounds for Macmillan Cancer Support. Thank you to everyone for supporting this wonderful cause.

This week, the Year 6 children along with 'Friends of Hearsall' ran the Macmillan Coffee Morning. It was wonderful to see many members of the local community- young and old- coming together and enjoying the coffee and home bakes! So far today we have raised an incredible **£755** - what an amazing achievement by a fantastic, supportive community. Everyone had a wonderful time and the cakes looked amazing!

Flu Vaccinations

We are committed to supporting Ben Crowther and his family. We have flu vaccinations taking place in school on 8th October but please can you let us know if you have the vaccination out of school after this date. Please remember to bring back blue Flu forms ready for the 8th October.

Parent Governor

A vacancy has arisen for a Parent Governor to serve on Hearsall Community Academy Local Governing Body. The Local Governing Body focuses on Hearsall School and looks at the education, standards and the pastoral development and wellbeing of our children. A separate letter regarding this will be sent home with your child today.

A star in our midst! Abbie Galbraith took part in a children's quiz on Free Radio this week and was top of the leader board all week! She performed fantastically under pressure and was narrowly beaten into second place. Well done Abbie for being a brilliant ambassador for Hearsall!

Enjoy your weekend,
Claire Jackson
Acting Head Teacher

The School Calendar

Upcoming events!

Don't forget to check Class Dojo for regular updates

Week 4
w/c 01.10.18

Harvest Festival at St. Mary Magdalen (Please inform your child's teacher or the office if you do not wish for your child to attend)

Week 5
w/c 08.10.18

Flu Vaccinations - Monday 8th

Reception In Reception we are continually looking to improve our outdoor area. We are looking to add to our outdoor environment.

We are looking for donations of: gardening gloves, soil, spades, buckets, plant pots, plants/seeds, watering cans etc. We are extremely grateful for any donations given.

Please do not buy any of this, only bring in any spare/unwanted items you may have at home!

Year 1 Year 1 are enjoying learning dance moves linked to our 'In the Toy Box' theme. They are going to put the moves together to perform a routine to the song "You've got a friend in me" from the film Toy Story.

Year 2 In year 2 this week we have been investigating materials in Science and looking at material may not be suitable for an object, as a paper coat. In Theme have been learning to sort toys based on different criteria.

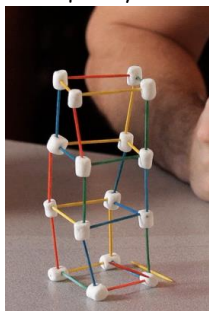

why a such we our

Years 5 and 6 This week, Years 5 and 6 have been busy engrossing themselves into their theme work- exploring the whereabouts of earthquakes around the world and why they occur frequently in some countries. The Children in Year 6 have also been designing and creating an earthquake proof structure, which involved lots of fun with marshmallows and straws!

Years 3 and 4 Year four have been fully immersed into their book The Lion, The Witch and The Wardrobe. They have been creating their own characters, in the style of Mr Tumnus, combining two creatures of their own. We have been very impressed with their imaginations and descriptive language.

Year 3 this week we have loved developing our football

skills within PE lessons. We have been concentrating on improving our dribbling skills and have used these within a range of different games. We have talked about how good ball control is important within football and have worked on improving our technique.
