Issue 2

WB 17th September 2018

This Week at Hearsall

Last Sunday was the #passthesmile Fun Day at the Memorial Park. It was a fantastic turn out with the community coming together to support such a worthy charity. I know the Crowthers are so grateful to everyone who came, got involved, volunteered and supported the day. It is wonderful to see how a community pulls together to support a family in a time of need. Thank you to everyone for your support.

The newest members of our Hearsall community are settling in very well to life at Hearsall. This week they have been showing what they understand about facial expressions and emotions! There are some great expressions here!

Next Friday (28th September) will be our MacMillan Coffee Morning which is being organised and run by Year 6 for the first time. They are determined to raise lots of money to support MacMillan. Year 6 have organised a non-uniform day today which has already raised money and brought in lots of chocolate and tombola items to sell at next week's Coffee Morning alongside many, many cakes. If anyone has any cake stands they could loan us for the day we would be very grateful.

Please try to come along and support the event which will be on from 10.00am to 12.00pm.

We would love you to send in any donations of cakes either the day before or on the morning.

Enjoy your weekend,

Claire Jackson
Acting Head Teacher

Reception

Reception have been really enjoying their first few weeks at school! The children have been absolute superstars and settled into their new

learning environments really well. Lots of new friends have been made and lots of fun has been had! A huge well done to all the children on such a fantastic start to school life at Hearsall Academy.

Year 1 Year One have really enjoyed listening to the story 'Whatever Next' by Jill Murphy. The children have worked hard writing sentences and acting out the story. We are really impressed at how well they are forming letters using pre-cursive script.

Year 2 This week Year 2 have been enjoying the launch of this term's theme 'In the Toy Box' bringing in their toys and playing, sharing and exploring with their friends. We also have discussed what makes a good toy and why a toy may be a favourite. In English we have been learning the story of 'Traction Man' and have been busy designing him a new outfit for his next mission.

HELP!

If anyone has any cake stands or decorative tablecloths Year 6 can use for their MacMillan Coffee Morning, please contact Mr Thomas or Miss McCarthy

Years 5 and 6

This week, Years 5 and 6 have been busy getting back to their English and Maths Learning.

There has been some fascinating learning happening- from exploring Pompeii in Year 5 to delving into an emotive visual film in Year 6. A great start made by all- well done!

Macmillan Coffee Morning- Friday 28th September 2018

Preparations are well underway, from our Year 6's for next Friday's Macmillan Coffee Morning at Hearsall. Last week, Year 6 decided for today to be a non-school uniform day, which has proved to be a great success with money and gifts already collected ahead of next week. Next week the Year 6's will be running the charity coffee morning and they are sure that it will be a huge success and will raise lots of valuable funds for Macmillan. Please come and show your support if you can; you could even judge the "staff bake off!"

Years 3 and 4

On Friday 14th of September year 3 and 4 both enjoyed their launch into their On The Move topic. This involved exploring how we travel, looking at more unusual ways of travelling and finishing with an opportunity to get outside the classroom and use a range of mode of transport on the playground from bikes and scooters to roller skates. A lot of fun was had by all.

Year 3 have been working hard this week in Maths thinking about the values of different digits within numbers. They have been comparing and ordering numbers and explaining their reasoning. In English we have enjoyed launching our new story of 'Claude in the City' and have been excited to read about his different adventures. We have been working on our vocabulary choices to write an interesting and detailed character description.
