

Pay Policy 2018

Pay Policy Approved by Board of Directors - Autumn Term 2 2018

Inspire Education Trust Pay Policy

September 2018

This policy was adopted by the Board of Directors on 13th December 2018

Introduction

1. This policy sets out the framework for making decisions on pay. It has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions Document 2018 (**STPCD 2018**), the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service (*Green Book*).
2. A School Pay Policy provides a policy framework within which the pay structure of the school will be determined, and conditions of service will be applied. The policy is freely available to all Directors, staff and other interested parties so that the process and policies for decision making are open and clearly understood by all who might have an interest in them or be affected by them.
3. This document will be reviewed by Directors considering changes to national pay and conditions of service. In any event it will be reviewed annually.
4. This policy should be read in conjunction with this school's Performance Appraisal Policy, which sets out the framework for a clear and consistent assessment of the overall performance of all teachers in the school, including the leadership team, and for supporting their development needs within the context of the school's improvement plan and their own professional needs. All appraisals undertaken during the academic year 2018 -19 will produce recommendations for pay for the teacher, to take effect from 1st September 2019.
5. In adopting this pay policy, the aim is to:
 - Maximise the quality of teaching and learning at the school
 - Support the recruitment and retention of a high-quality workforce
 - Enable the school to recognise and reward staff appropriately for their contribution to the school
 - Ensure that decisions on pay are managed in a fair, just, transparent and objective way
6. Pay decisions at this school are made by the Board of Directors. The Board of Directors has established an appropriate committee(s) with the necessary power to undertake consideration of salaries within the school.
7. Executive Principal, Headteacher and Leadership Group salaries will be determined by the Board of Directors. Salaries of other staff will be determined through the performance appraisal process: the Headteacher will take any final decisions related to pay progression on behalf of the Board of Directors.

Equalities

8. The Board of Directors seeks to provide equality of opportunity for all staff regardless of race, gender, nationality, ethnic origin, marital status, disability, economic status, sexual

orientation, age, trade union, political belief or responsibility for dependants. In matters related to staffing and pay it will act in accordance with the School's Equality Policy, and any other associated policy, including the School's Appointment Procedure.

9. The Board of Directors recognises the implications of equal pay legislation. In this connection it recognises in complying with this legislation, the need to consider comparisons with other schools. In addition, this policy is compliant with the following legislation:
 - *The Equality Act 2010*
 - *The Employment Relations Act 1999*
 - *The Part-Time Workers Regulations 2000*
 - *The Fixed Terms Employees Regulations 2002*
10. The Board of Directors will monitor the outcomes and impact of this policy on a regular basis, including trends in progression across specific groups of teachers to assess its effect and the school's continued compliance with equalities legislation. This information will be made available on request.

Pay Reviews

11. The Board of Directors will ensure that each teacher's salary, including the school's leadership team, is reviewed annually, with effect from 1 September and no later than 31 October each year, and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled.
12. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.
13. Where a pay determination leads or may lead to the start of a period of safeguarding, the Board of Directors will give the required notification as soon as possible and no later than one month after the date of the determination.

There are some circumstances, such as absence due to maternity or long-term sick leave, which will need to be considered on a case by case basis and adjustments made to ensure equality of opportunity.

Pay Relativity

14. The Appropriate Committee will ensure that there is proper pay relativity between jobs within the school. Appropriate differentials will be created and maintained between jobs within the school, in a coherent rational structure, which addresses the need of the school and the need to reward individuals appropriately.

Safeguarding

15. The Board of Directors will operate salary safeguarding arrangements in line with the STPCD 2018.

Appeals

16. The Board of Directors has an appeals procedure in relation to pay in accordance with the provisions of paragraph 2 of the STPCD 2018. It is set out as an **Appendix 1** to this pay policy.

LEADERSHIP PAY

17. Changes to the pay of leadership group members under the School Teachers' Pay and Conditions Document 2014 will **only** be applied to individuals appointed to a leadership post on or after 1st September 2014 or whose responsibilities have changed significantly after that date.
18. The Board of Directors will determine individual pay ranges for Headteachers, Deputy and Assistant Headteachers within the broad pay range appropriate to the school's group size. The Headteacher pay range and leadership pay range effective from 1 September 2018 is attached at **Appendix 3**. In determining the individual pay ranges for leadership groups members it's noted;
 - The school group size will remain the main determinant of the Headteacher's salary.
 - The Headteacher will be on a seven point pay range. This will be separated by at least one clear point from any other leadership pay ranges.
 - Deputy Headteacher's will be on a pay range that reflect the weight and challenge of the post and size and circumstances of the school. The Deputy Headteacher range will start at a higher point than the lowest point on Assistant Headteacher's range. And there should be no overlap with the Headteacher's pay range.
 - Assistant Headteacher's will be on a pay range that reflects the weight and challenge of the post and size and circumstances of the school. The Assistant Headteacher's range will start on at least the next leadership group pay spine point above the salary of the highest paid classroom teacher. i.e. UPS3 + Highest paid TLR + SEN Payment (if applicable).
 - In setting individual pay ranges within the leadership group it will only be in exceptional circumstances where the Headteacher's pay range is overlapped by the pay range of another member of the leadership group.
 - The Board of Directors will only re-determine the pay range of a serving Headteacher if the responsibilities of the post change significantly or if it is required to maintain consistency with pay arrangements for new appointments to the leadership team made on or after 1st September 2018. In other circumstances, the appropriate provisions of the STPCD 2014 will continue to be applied unless specified otherwise within this policy.
 - When the school group size changes because of changes in pupil numbers the Board of Directors will redetermine the Individual School Range (**ISR**) whenever they propose to appoint a new Headteacher or if they change the Headteacher group in other circumstances (including where the Headteacher becomes responsible for more than one school in a federation on a permanent basis).
 - When determining the salary of a new Headteacher, the Board of Directors will take account of the full responsibilities of the post. A new Headteacher will be placed on any of the bottom four points of the ISR.

- Where the Board of Directors has previously determined an ISR the maximum of which exceeds the highest point on the leadership group pay spine, it will continue to determine the value of each point above the highest point for so long as that ISR applies. When recalculating the ISR the Board of Directors will follow the statutory requirements to establish a Headteacher's point on the new school group range.

HEADTEACHER PAY

Basic Pay Determination on Appointment after 1st September 2018

20. For appointments on or after 1st September 2018, or where leadership responsibilities significantly change after this date, the Board of Directors will consider; all of the permanent responsibilities of the role, the challenges that are specific to the role and other considerations including recruitment and retention difficulties.
21. The Board of Directors may decide that circumstances warrant setting the Headteacher's pay range up to 25 per cent above the maximum of the pay range for the school's group size. In exceptional circumstances and supported by a business case and external advice, it may be extended beyond that figure.
22. Discretionary payments to the Headteacher will only be made for clearly temporary additional responsibilities or duties which have not been previously considered when setting the individual pay range. These payments will not exceed 25 per cent of the annual salary which is otherwise payable to the Headteacher other than in wholly exceptional circumstances.

Examples may be:

- *The school is causing concern, without such payment the school would have substantial difficulty filling the vacant Headteacher's post,*
- *without such payment the school would have substantial difficulty retaining the existing Headteacher,*
- *the Headteacher is appointed as a temporary Headteacher of more than one school (maximum of 2 years),*
- *CPD undertaken outside of the school day, activities relating to the provision of initial teacher training, participation in out of school hours learning activity agreed by the Board of Directors, additional responsibilities/activities relating to the raising of educational standards at one or more additional schools (not if appointed as permanent or temporary Headteacher).*
- *If it is considered that there are exceptional circumstances, then the relevant committee will make a business case for the payment to the full Governing Body. The Board of Directors will then seek external independent advice.*

Schools where the Executive Principal is *permanently* accountable for more than one school

23. The Board of Directors will arrange for a joint committee made up of Directors from all the schools involved to be established to oversee the arrangements. This committee will have the power to deal with the pay and performance Appraisal of the Headteacher concerned. They will determine the pay range by the application of the total unit score of all the schools concerned. Any discretionary payments made will take account of the full responsibilities of the post.

24. Consideration will be given to the remuneration of other teachers who, because of the Headteacher's role are taking on additional responsibilities. This will be based on any additional responsibilities attached to the post (not the teacher).

Executive Principal / Headteachers *temporarily* accountable for more than one school

25. In such circumstances, such a role will be regarded as an acting headship on a temporary basis, will be time-limited, subject to regular reviews and will last no longer than 2 years.
26. In such temporary arrangements, the Headteacher is appointed on a fixed term variation of contract

Pay Progression based on Performance of the Leadership Group

27. The provisions for pay progression apply to pay decisions for **all** members of the leadership group for September 2018.
28. Performance and Salary Reviews for members of the leadership group will take place every year. The Board of Directors will have the discretion to award up to two performance points within the ISR for Head, Deputy/Assistant head ranges, where, having reviewed performance in the light of performance objectives set in the previous year in line with the School Improvement Plan, the Board of Directors is satisfied that there has been "a sustained high quality of overall performance".
29. For performance reviews in 2018, reference will be made to the appropriate appraisal arrangements. Objectives will become progressively more challenging as the leadership group member gains experience and moves up their salary range.
30. The Board of Directors will be the reviewer for the Headteacher, supported by an external independent adviser who will provide advice and support in relation to the performance Appraisal review. Objectives set for 2018/19 will link to the school improvement/development plans and self-evaluation. When deciding in relation to performance points, consideration will be given to the Leadership Group Pay and Progression criteria, contained in paragraph 11 of the STPCD 2018 document.

CLASSROOM TEACHERS

Basic Pay Determination on Appointment

31. The Board of Directors will determine the pay range for a vacancy prior to advertising it. On appointment, it will determine the starting salary within that range to be offered to the successful candidate having regard to any qualifications or experience they may have which they consider of value. In making such determinations, the Board of Directors may also consider a range of factors, including:
- *the nature of the post;*
 - *any specialist knowledge required for the post;*
 - *market conditions*
 - *the experience required to undertake the specific duties of the post;*
 - *the wider school context.*

There is no assumption that a teacher will be paid at the same rate as they were being paid in a previous school.

32. Where an unqualified teacher becomes qualified whilst continuing to work at this school they will be paid at a salary on the qualified teacher range that is at least the same as the salary being paid to them on the unqualified range.

Pay Progression based on Performance

33. Teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the school's appraisal policy.
34. The Board of Directors will follow the provisions of the STPCD 2018, paragraph 19, and award a point on the main scale pay range, unless the teacher has been notified that their service has been unsatisfactory for the previous academic year. This discretion will only normally be exercised in the context of the School's formal appraisal process. There is no provision within this STPCD 2018 for any movement down the pay spine.
35. With effect from 1 September 2018 the Board of Directors will determine the school's own reference points. Consideration will be given to issues of equality and equal pay.
36. The pay scale for main pay range teacher's effective from 1 September 2018 in this school is:

<i>Point</i>	<i>£</i>
<i>1 (Minimum)</i>	<i>£23,720</i>
<i>2</i>	<i>£25,594</i>
<i>3</i>	<i>£27,652</i>
<i>4</i>	<i>£29,780</i>
<i>5</i>	<i>£32,126</i>
<i>6 (Maximum)</i>	<i>£34,665</i>

(Based on STPCD 2018)

37. Decisions regarding pay progression for September 2018 will be made with reference to the teacher's appraisal reports, where judgements of performance will be made against the objectives and relevant standards and the pay recommendations they contain. In the case of NQT's, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process.
38. To be fair and transparent, assessments of performance will be properly rooted in evidence. Fairness will be assured by annual monitoring of the application of the pay policy and pay decisions.

The evidence used will originate in the school's performance / appraisal process.

- Teachers' appraisal reports will contain pay recommendations. Final decisions about whether to accept a pay recommendation will be made by the Executive Principal on behalf of the Board of Directors, having regard to the appraisal report and taking advice from the senior leadership team.
- The Board of Directors will consider its approach in the light of the school's budget and ensure that appropriate funding is allocated for pay progression at all levels.
- In this school, judgements of performance will be made against agreed performance appraisal objectives, linked to Teachers' Standards and school improvement priorities

Movement to the Upper Pay Range

Applications and Evidence

39. Teachers may apply to be paid on the upper pay range with effect from 1st September 2018 when they consider that they meet the criteria specified in the STPCD 2018 paragraph 15. On rare occasions, considering their appraisal report, they may do so before they reach the maximum of the main pay range.
40. Applications may be made once every academic year.
41. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. This school will not be bound by any pay decision made by another school.
42. All applications should include the results of reviews or appraisals under the 2016 or 2017 regulations, including any recommendation on pay (or, where that information is not applicable or available, a statement and summary of evidence designed to demonstrate that the applicant has met the assessment criteria, using evidence from the previous two consecutive years, considering any breaks in service).
43. Applications should be made to the Executive Principal using the standard form provided at **Appendix 2**.

2

The Assessment

44. An application from a qualified teacher will be successful where the Board of Directors is satisfied that:
 - a) the teacher is highly competent in all elements of the relevant standards; and
 - b) the teacher's achievements and contribution to the school are substantial and sustained.
45. For the purposes of this pay policy:
 - *'Highly competent' means performance which is not only good but also enough to provide coaching and mentoring to other teachers, give advice to them and demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and develop their teaching practice.*

- *'Substantial' means of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning); and*
- *'Sustained' means that performance has been maintained over a period of 2 years.*

46. The application will be assessed robustly, transparently and equitably by the reviewer and the Executive Principal/Headteacher. A response from the reviewer together with the opportunity of feedback (which will include the opportunity to present further evidence as appropriate) (under section 2.1 of the Appeals procedure attached at **Appendix 1**) will take place before a recommendation is made to the appropriate committee of the Board of Directors.

Final recommendations from the reviewer (including recommending 'unsuccessful') will be made to the appropriate committee of the Board of Directors within 20 working days.

47. Decisions and feedback will be provided by (Executive Principal / Headteacher, Line Manager/Subject Leader) as soon as possible and within 10 working days of the decision. The feedback will cover reasons for the decision and the appeals arrangements open to the teacher. Any appeal against a decision not to move the teacher to the upper pay range will be heard under the school's pay appeal procedure, **Appendix 1**.

If successful, applicants will move to the upper pay range from the previous 1 September and will be placed onto Point 1 of the upper pay range. With effect from 1 September 2018 the Board of Directors will determine the school's own reference points. Consideration will be given to issues of equality and equal pay.

The pay scale for upper pay range from 1 September 2018 in this school is:

UNQUALIFIED TEACHERS

Basic Pay Determination on Appointment

53. The Board of Directors will pay any unqualified teacher in accordance with paragraph 17 of the STPCD 2018. The Board of Directors will determine where a newly appointed unqualified teacher will enter the scale, having regard to any qualifications or experience they may have, which they consider to be of value. The pay committee will consider whether it wishes to pay an additional allowance, in accordance with paragraph 22, of the STPCD 2018.
54. With effect from 1 September 2018 the Board of Directors will determine the school's own reference points. Consideration will be given to issues of equality and equal pay.

56. With effect from 1 September 2018, in order to progress up the unqualified teacher range, unqualified teachers will need to show that they have made good progress towards their objectives. To be fair and transparent, assessments of performance will be properly rooted in evidence. Fairness will be assured by annual monitoring of the application of the pay policy and pay decisions.
57. The evidence used will originate in the performance appraisal cycle.
58. Pay progression on the unqualified teacher range will be clearly attributable to the performance of the individual teacher.

Part-time teachers will be paid on a pro-rata basis in relation to a full-time teacher in line with paragraph 40 of the STPCD 2018 and the Board of Directors will provide them with a written statement detailing this. Any additional hours worked in the same role, in agreement with the part-time teacher, will be paid at the same rate.

 - The date from which the allowance will be paid, which can be a date on or after the teacher is first assigned and carries out the duties.

Recruitment and retention incentives and benefits

77. The Board of Directors will make such payments or provide such other financial assistance, support or benefits to a teacher as it considers to be necessary as an incentive for the recruitment of new teachers and the retention in their service of existing teachers.

78. Where the Board of Directors is making one or more such payments, or providing such financial assistance, support or benefits in one or more cases, they will conduct a regular formal review of all such awards. APPENDIX 1

PAY APPEALS PROCEDURE FOR TEACHERS

1. PRINCIPLES

- 1.1 This procedure is consistent with the provisions of the Employment Act 2008.
- 1.2 Teachers may seek a review of any determination in relation to their pay or any other decision taken by the Board of Directors (or a committee or individual acting with delegated authority) that affects their pay.
- 1.3 At any formal hearing or appeal hearing the teacher will be entitled to be accompanied by a trade union representative or friend.
- 1.4 Each stage and action within this procedure will be taken without unreasonable delay.

2. PROCEDURE

- 2.1 If the Reviewer decides not to recommend a teacher for pay progression, a full discussion should take place with the teacher in which the evidence used to inform the decision is reviewed. In relation to this progression additional evidence may be submitted to the Reviewer within 5 working days. The Reviewer will consider this before they make a recommendation to the relevant committee of the Board of Directors.
- 2.2 In all other circumstances if an employee is not satisfied or has concerns relating to their pay they should first seek to resolve this by discussing the matter informally.
- 2.3 Where this is not possible, or where the employee continues to be dissatisfied, they should follow a formal process as detailed below.
- 2.4 Within 10 working days of the notification of the pay determination (decision) the teacher should put in writing the grounds for questioning the pay determination and send it to the person (or committee) who made the original determination.
- 2.5 In accordance with School Teachers' Pay and Conditions the reasons for seeking a review of a pay determination are;

 - failed to take proper account of relevant evidence
 - took account of irrelevant or inaccurate evidence
 - was biased; or
 - otherwise unlawfully discriminated against the teacher
- 2.6 Within ten working days of receipt of the written grounds for questioning the pay decision the committee or person, who made the pay determination, will arrange for a hearing to be established so a review of the decision can be heard. This will give the teacher an opportunity to make representations in person.

APPENDIX 2

UPPER PAY RANGE APPLICATION FORM

Teacher's Details:

Name _____

School _____ Post _____
