Issue 21

WB 11th March 2019

This Week at Hearsall

Children have been looking fabulous in their red noses today! Some have matching accessories including glasses and headbands! We are raising money for such a good cause the children have really entered into the spirit of joke telling today! My favourites so far...

What do you call two banana skins? A pair of slippers!! 😂😂😂

How do you get an astronaut's baby to sleep? You rock-et! Thanks to Amelia and Evie!

Staff news... I am thrilled to tell you that following interviews we have appointed Mr Thomas as substantive Assistant Head Teacher. Mr Thomas has been Acting AHT in place of Mrs Butterworth who is on maternity leave. Mr Thomas works tirelessly for the children across the school and will form a great team with Mrs Butterworth, both as Assistant Head Teachers on her return. Sad news now, Mrs Jo Davis our Office Manager is leaving us to take up a new position at Whitmore Park. Jo is such a familiar, friendly face at Hearsall and we will be so sad to see her go. We are arranging a collection to buy a gift to say thank you for 11 years at Hearsall. If you would like to contribute, please see Lucy Vickers or Michelle Broadhurst in the main office. We wish Jo every success in her new role!

School Meals - Please note that school dinners for years 2 - 6 will increase from £2.10 to 2:20 from the first day back after the Easter holidays. Please contact the office if you wish to change your dinner pattern.

Crisp Packets - Paula in Hearsall Horizon Club is collecting crisp packets for a Church project to recycle them to make furniture. If you have any empty packets please bring them into reception.

Across the Inspire Multi-Academy Trust we have four Local Governing bodies. We are currently recruiting an additional co-opted Governor for Whittle Academy. We would be delighted to hear from anyone who:

- Is interested in children's education and the performance of Whittle;
- Is community spirited and would like to represent this neighbouring community;
 - Has spare time and the energy for the role;
 - Is able to work well as part of a team; and
 - Has an enquiring mind and the confidence to ask questions and debate issues that affect Whittle Academy.

For further information please contact admin@whittleacademy.org

Finally, thank you to all parents who came along to parents evening, it was lovely to hear such positive feedback from both teachers and parents. If you missed the evening, please contact your child's teacher to make an appointment.

Have a lovely weekend!

Claire Jones,
Head Teacher

p.s. Don't forget it's the Coventry Children's Mile this Sunday!

The School Calendar upcoming events!

Don't forget to check
Class Dojo for regular
updates

w/c 18.03.19	Tuesday 19 th March - Boys MAT Football Tournament 3.30pm Wednesday 20 th March - Year 2 family Assembly 9.00am Wednesday 20 th March - Swimming Gala 1.00 - 3.30pm Thursday 21 st March - Wizard of Oz performance 1.30 - 2.30pm Friday 22 nd March - Morning of Music - Y1
w/c 25.03.19	Monday 25 th March - Morning of Music Year 5 Friday 29 th March - Mother's day wrap

Other News

Nursery and Reception

This week in Nursery we have been concentrating on rhyming. We used pirate treasure chests and found lots of gold coins to put in them. By listening carefully to the sound of the words on the coins we were able to sort the coins into the correct chests by making sure that they rhymed with each other. We also learned how to describe and talk about shapes. Our pirate ship was made up of shapes and it was fun to see how the shapes were used

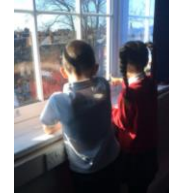

in the picture. Reception have enjoyed an action packed trip to the Snowdome in Tamworth this week! The children had a fantastic time taking part in snow play, tubing and sledging. They behaved brilliantly and made us all very proud with how

confidently they threw themselves into each activity. A huge thank you to our wonderful parent/grandparent volunteers who accompanied us on the trip - we are very grateful for your support!

Year 1 and 2

In Theme we have been learning about the Great Fire of London. Yesterday we looked at the diary of Samuel Pepys, reading three extracts from the day the fire started. The children created freeze frames from parts of the diary. They then wrote their own diary's detailing what happened during the fire. Well done Year One.

In year 2 this week we have been learning all about finding

fractions of an amount in maths. In English we have been looking at a new text 'Paddington at the Palace' we have been becoming familiar with this book through freeze frame, drawing from our imagination, writing about what we can see as if we were Paddington and answering questions about the text.

100% Club Attendance

Class % Attendance			
RP	95%	3H	98%
RW	93%	4W	95%
1T	98%	4L	94%
1C/P	97%	5J	98%
2N	95%	5G	96%
2C	97%	6T	96%
3P	99%	6M	98%

Well done to 3P on the highest attendance this week!!

Please try to use this safe search engine for any children who have electronic devices to search on:

Year 3 and 4

This week Year 3 have loved using clay within our Art lessons. We were so lucky to have Rachel Barker visit us, where she taught us about Roman oil

lamps and the techniques we needed to make them successfully!

Year 4 have begun decimal work in maths. They have been working hard to identify tenths and hundredths in a variety of forms, practically show them, pictorially show them as well as write them as a decimal and fraction.

Years 5 and 6 Year 5 Practical Science

This week, Year 5 enjoyed an afternoon of practical Science by exploring how batteries work and operate. Working together as a team, the children had to create their very own electrical circuits and investigate what happens when the different components of a circuit are changed.

Year 6 Comic Strip Work The Year 6 children have had an enormous amount of fun, producing their very own Comic Strips this week. Through using the correct and appropriate structural and language features, the children have created their own Ancient Greek stories with a twist!

On Friday 8th March the girl's football team went to the MAT tournament to play Whittle, Walsgrave and Clifford Bridge. The girls played exceptionally well winning two games and drawing one. It was great to see them smiling and having fun.
