Issue 22

WB 18th March 2019

This Week at Hearsall

I have been so impressed by the children this week and so proud of their learning behaviours. We had a two day whole school review this week which had a really positive outcome and I am so grateful to all the staff for their hard work, not just this week but every single week. Here are just a few excerpts from the report:

"Hearsall is a strong and effective school. It has many positive aspects and features. Leaders are committed to securing improvement and determined to meet the needs of all children."

"It was a privilege and pleasure to visit all four classes and witness such effective practice."

Theatre production - yesterday children from Reception to Year 6 were treated to a theatre production of the Wizard of Oz. It was a wonderful afternoon of enrichment for the children and Year 5 also had a workshop afterwards to develop confidence and self-esteem through performing. We are able to provide these special events with your voluntary donations; if you have not already done so we would be very grateful if you could send in the £1 donation towards the cost of the production. The children were captivated by the vibrant set and singing.

Coventry Children's Mile - there was a fantastic turn out for the children's mile on Sunday and Hearsall had one of the largest school teams. We were so proud of the huge amount of support for the children in completing the mile. See Miss Lewis's Sporting Newsletter for all the pictures and write up.

#LotsOfSocks - this week we wore crazy socks to raise awareness of World Down Syndrome Day. It was great to see people wearing multi-coloured and very wacky socks to raise money for such a good cause.

DON'T FORGET ** MOTHER'S DAY WRAP ** NEXT FRIDAY ** 29th March ** Great gifts, details to follow!

Have a lovely weekend,

Claire Jones

Headteacher

The School Calendar upcoming events!

w/c 01/04.19	Friday 5 th April - 5 year old dental checks Friday 5 th April - KS1 Tennis taster sessions

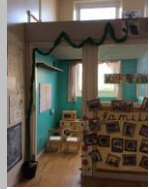

Other News

Nursery and Reception

This week in Nursery we have started to learn the story of 'Jack and the Beanstalk'. We planted some magic beans in our own pot and the beanstalk started to grow overnight. We also decided to grow our own beans but these are not magic and seem to be taking a lot longer to grow. We are learning to be patient and are very excited about what might happen.

Reception have loved learning about 'The Treasure of Pirate Frank' this week. They have been creating treasure maps and making pirate ships, ready to test in the water outside!

Year 1 and 2

As part of their theme work, Year 1 children used different types of paper to make a collage of The Fire of London. They cut and tore the paper and then arranged the pieces carefully.

In year 2 this week we have been learning all about addition in maths. In English we have been continuing with our text 'Paddington at the Palace' and even received a letter from him asking us to tell him all about Coventry. We have been freeze framing and making Vlogs of Hearsall to help us plan our reply letters to him. The children also performed their family assembly this week and we are incredibly proud of them all.

100% Club Attendance

Class % Attendance			
RP	96%	3H	95%
RW	94%	4W	100%
1T	95%	4L	93%
1C/P	98%	5J	96%
2N	99%	5G	99%
2C	98%	6T	95%
3P	97%	6M	99%

Well done to 4W on 100% attendance this week!!

Please try to use this safe search engine for any children who have electronic devices to search on:

Year 3 and 4

This week we have been learning about the Celts and looking at different Celtic jewellery. We then studied designs for Celtic brooches and used these as inspiration to design and make our own. The children then evaluated their creations, thinking about what they enjoyed and what they would change if given another opportunity.

Year 4 have been enjoying the arts driver within their theme this week. Firstly, they have designed and made brooches. They are now onto making their Roman Shields which they will then use to make Roman battle formations when they are finished.

Years 5 and 6 Year 6 Practical Science Work...

This week in Year 6, we have been exploring the different systems within the human body: the Muscular System, the Skeletal System or the Digestive System. We started our lesson in a fun and engaging way by asking the children to label themselves with the parts that they could easily identify!

World Happiness Day 2019:

This week marked World Happiness Day in school, where feeling happy and joyful are emotions, which are celebrated across the world. Looking at the photos below, the children certainly had fun with their learning this week.

Merit Awards

Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Orlagh J	No Merit	Maia B	Rhea K	Abdullah H	Abi B	Ibrahim A
