Issue 20

WB

4th March 2019

This Week at Hearsall

World Book Day was a roaring success yesterday! This children have had an amazing time experiencing all sorts of wonderful activities that will inspire a love of reading. Each class this year had a theme for their costumes that was linked to their current class novel. Each class has taken part in a Where's Wally scene and a book will be made for children in school. A huge well done to Miss Prockter and Mrs Horbury for all their hard work in organising the

day!

The **Mother's Day Wrap** will take place on **Friday 29th March**. Gifts cost just £2 and each child may purchase up to two. If your child would like to buy and wrap a present for a special woman in their life please send in the correct money in a named envelope on that morning.

DON'T FORGET! Reception Cake Sale, 3.15pm Friday 15th March. Friday treat time!!

Comic Relief - Red Nose Day We have red noses for sale which will be available on the playground at the end of the day next week or in the office at £1.25 each.

Family Camp - This year's family camp will be on 7th and 8th June. Leaflets regarding this will be sent out shortly.

Year 5 and 6 had a Safety Awareness Workshop yesterday which gave out really important messages for their future and their understanding of how to keep themselves safe. It was an inspirational talk which also told the story from a personal point of view, something which the children felt great empathy about. We know that children recognised the importance of these messages. Further information on where to access information and support will be sent home for Year 5 and 6 children next week.

Just a note to say I received an email from The Earlsdon Echo to say they have printed the wrong report this month! Such a shame as all the new photos of the Forest School area were in the new report. They send their apologies but keep a look out next time for the photos and news of the school!

Have a lovely weekend!

Claire Jones,

Head Teacher

The School Calendar upcoming events!

Other News

Nursery and Reception

Nursery have been using the story of 'Pirates Love Underpants'

throughout their learning. We have turned ourselves into

pirates, learned pirate dances and explored the new playground using our telescopes. On World Book Day we all loved dressing as pirates and having a fun treasure hunt all over Nursery. Reception have had a busy week practising for their Family Assembly. They did a fantastic job - even with a few technical issues on the day the children spoke clearly and with confidence and made us all very proud! We then had lots of fun enjoying World Book Day. Thank you to all parents for the effort that went into providing such amazing skeleton costumes! We had a great time sharing Funnybones books, creating story maps, role playing parts of the story as well as playing skeleton jenga and painting skeletons!

Year 1 and 2

In our maths lessons this week Year 1 began to understand multiplication. They looked at groups of objects and checked if they were equal groups. There was some fantastic team and partner work.

Year 2 have had their Fire service visit this week, which has been linked to their Theme topic 'The

Big Smoke'. The children had a talk about fire safety and were then able to go outside and see the fire engine. They had a wonderful morning holding the hose, sitting in the fire engine and learning all about the different equipment they used.

100% Club Attendance

Class % Attendance			
RP	92%	3H	95%
RW	95%	4W	96%
1T	100%	4L	96%
1C/P	97%	5J	99%
2N	98%	5G	97%
2C	99%	6T	98%
3P	98%	6M	99%

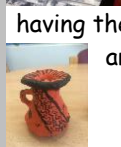

Well done to 1T on 100% attendance this week!!

Year 3 and 4

Year 3 were very please last week when a group of us were invited to have our lunch at the church. We enjoyed sharing our lunch with some elderly members of the community, and loved chatting about how school has changed from what it used to be like. All of the children were incredibly polite and well-mannered and were wonderful representatives of Hearsall! Year 4 have started their dance lessons with Kirstie. She has been doing intense warm ups with us followed by strength and flexibility exercises. Moreover, she is teaching us a Roman dance which we must use strong powerful movements for.

Moreover, she is teaching us a Roman dance which we must use strong powerful movements for.

Years 5 and 6

Year 5 Theme Visit:

Year 5 enjoyed a stimulating visit to Birmingham Museum this week as part of their Ancient Greek Theme work. During the

visit, the children explored a range of Greek Artefacts such as pots and vases, as well as

having the opportunity to take part in a history workshop and art and design activities. A good day was had by all!

Year 6 Greek Art Work:

The Year 6 children have continued their work on Ancient Greece this week, by completing and finishing their Ancient Greek Pots and Vases. It was wonderful to see the children being so articulate with their designs. Here are some photos of the brilliant designs created.

Sporting News!

Six children from across Key Stage 2 were picked to participate in an inclusive Archery and Boccia event. The children all had lots of fun

throughout the day. On Saturday 2nd March the girls cross country team went to compete at Bablake playing fields. There were 34 schools present and approximately 190 runners. The girls were absolutely fantastic and came 14th overall. On Tuesday 5th March the girl's football team went to Ryton Connexions to play in the Coventry Schools 5-a-side Football finals. The girls played superbly drawing two games and losing one. They all played with excellent resilience and determination!
