This Week at Hearsall

Sad and happy news today! Sad news that we say goodbye to Jo Davis our Office Manager. Jo has been a part of Hearsall for many years and it is sad to say goodbye but we wish her well in her new job and every success for the future! Thank you to all the parents who contributed, we were able to send Jo off with some wonderful gifts and memories!

Very happy news also... the Coventry Children's Mile raised a massive £941 for #passthemile! All the money we raise goes to such worthy causes so thank you so much to everyone who played their part in raising so much money!

Absences - please ensure you ring everyday to notify us of your child's absence. I realise the telephones are not working properly but we are having new ones installed over Easter so you should be able to choose the option for reporting absence and it won't be permanently engaged!

Come & Share - What a wonderful way to end the week! The end of term is drawing near and this afternoon we were able to welcome families to share in all the good learning that has been taking place right across the school. The children are rightly proud of their theme books and each year group planned a range of exciting activities to compliment their theme learning this term. Parents joined in very enthusiastically and it looked like great fun!

Easter events: There are many exciting events coming up for children next week... We have a visit to St. Mary Magdalen Church on Monday (all faiths welcome); Gold Merit assembly on Wednesday; Easter sing-a-long assembly on Thursday and then Friday will be the traditional **Easter Bonnet Parade and Decorated Egg Competition!** There will be prizes for the best entries for the bonnet and decorated eggs with runner up prizes too!

Thank you and Goodbye - I would like to say a huge thank you to everyone, I have received an amazing amount of gifts including vouchers, flowers etc. A special thanks to all the children that have popped in to see me today to wish me luck. I have had such an incredible journey at Hearsall and I have lots of lovely memories. I will miss all the children, parents and staff. Thank you so much. Jo x x x

Nursery and Reception

It has been a very exciting week seeing new things that are springing into life! We loved seeing that the chicks had hatched out of their eggs and we carefully felt how soft they were. We have also noticed that all our beans are

growing. This week we took them out of the bags and replanted them in pots of compost, ready to transfer into our outside garden. We will definitely have a beanstalk to climb soon! Reception have absolutely loved taking care of the chicks and watching them grow. We even got a chance to hold them!

Year 1 and 2

Year 1 have been working as a team, using

their design and technology skills, to make a house from the time of the Fire of London. We were delighted at how well they worked together to produce their houses.

In year 2 this week we have been learning all about the 2, 5 10 and 3 times tables in maths. In English we have started learning our new text 'Vlad and the Great Fire of London' and have been sequencing the story and writing a character description of Vlad. In Theme we finished making our Tudor houses and have set them on fire with the help of Mr Lancashire just like the Great fire of London.

Well done to 5J on the highest attendance this week!!

Year 3 and 4

This week the children in Year 3 brought in their POWER projects and we were so impressed to see how much work they had put in at home! They were absolutely fantastic and the children loved sharing what they had done with the others in their class as part of our POWER Project Showcase!

Y4 have started their book study on Romeo and Juliet this week. They have been reading the first part of the story and empathising with the characters thoughts, feelings and emotions through drama.

Years 5 and 6 Year 5's Book of the Term:

It has been wonderful to see so many of our Year 5 children becoming so engrossed and captivated by their current class story: 'Who let the Gods out by Max Evans. Reading for enjoyment is a lifelong skill and it is wonderful to see the children having so much fun with our current thematic text.

Year 6's Visit to Hearsall Common:

Last week, the Year 6 children enjoyed a visit to Hearsall Common, following the completion of their recent Year 6 assessments. It was a lovely afternoon, and a great opportunity for the children to have some 'down time' following their hard work last week. A great afternoon was enjoyed by all!

On Saturday 30th March the school cross country teams competed in the Coventry Schools Cross Country Relay Competitions. The teams were extremely supportive of each other and encouraged each other in every race with enthusiasm, which was positive to see. The boy's team came 5th and the girl's team 10th and mixed relay team 15th out of approximately 35 schools. Fantastic results all round!
