Issue 23

WB 25th March 2019

This Week at Hearsall

There have been some wonderful events happening this week. Year 1 visited Coventry Cathedral and had a wonderful time; Year 5 were very tuneful when they took part in Morning of Music; Reception children have been beyond excited to see their new chicks hatch and our lovely volunteers organised an amazing Mother's Day Wrap! All these events have meant there has been a real buzz about the place!

On Monday children had an assembly from David Hackney from Living Streets. This is a charity which tries to encourage people to get walking everyday! The charity has been running for 90 years! Children learnt about all the benefits of walking and using other transport such as scooters and bikes to get to school. We will be launching the scheme after Easter and children will register on the board every morning to say how they got to school and the more exercise they get, the more awards they win. We have badges, stickers and certificates at the ready. This is a fantastic scheme funded by the Department of Transport to make sure children feel energised by the time they arrive at school. As you know we still have a problem with parking outside school and particularly illegal and dangerous parking on the chevron lines which some parents are still choosing to ignore. PLEASE get involved and support your children by getting behind the Living Streets initiative. More information from; www.livingstreets.org.uk I am sure your children will tell you more after our launch!

We have some very exciting end of term and Easter events coming up; **Friday 5th April is Come & Share**; a wonderful opportunity to come and share your child's work, celebrate all their efforts and show them how proud you are! This will take place from **2.15 to 3.15pm**. (Year 4 will be on Thursday afternoon due to swimming) We also have a Gold Merit Assembly coming up, a sing-a-long assembly, a visit to St. Mary Magdalen Church and, of course, our traditional **Easter Bonnet and Decorated Egg Competition!!** Get those glue guns out and starting searching the internet for ideas!! Easter Bonnet Parade and Egg Competition will be on the last day of term and we will send reminders.

Year 4 Cake Sale, 3.15pm Friday 12th April. Don't forget to bring your cakes in to sell year 4.

Thanks so much to our lovely volunteers who organised the Mother's Day Wrap today - what a great success it was! There will be some lucky Mums and special ladies getting a lovely surprise on Sunday! Unfortunately, you might not get a lie in as **the clocks go forward on Sunday!**

Have a lovely weekend,

Claire Jones

Headteacher

The School Calendar upcoming events!

Don't forget to check
Class Dojo for regular
updates

w/c 01.04.19	Friday 5 th April - 5 year old dental checks Friday 5 th April - KS1 Tennis taster sessions Come & Share - Thursday 4 th April (Year 4) and Friday 5 th April (Reception, Y1,2,3,5,6 & Nursery am/pm)
w/c 08.04.19	Monday 8 th April - Nursery to visit allotment Thursday 11 th April - Year 5 & 6 Netball competition Friday 5 th April - Year 4 Cake sale

Other News

Nursery and Reception

This week in Nursery we have been talking about height because our beanstalks are beginning to grow. The children are beginning to use words associated with height and we played a game to arrange beanstalks in height order. We also began thinking about the language of time when we played our game of 'What's the Time Mr Giant?' and we carefully counted our footsteps before the giant came to catch us!

What an exciting week Reception have had! They have been so excited with the arrival of our chicks and getting the chance to watch them hatch. The children have done a fantastic job of helping to look after them.

Year 1 and 2

This week Year One went to Coventry Cathedral to take part in the 'Easter Experience'. They were able to take an interactive tour around the cathedral, whilst looking at different parts of the Easter story. This included re-enacting the Last Supper and Jesus washing the disciple's feet.

In year 2 this week we have been learning all about subtraction in maths. In English we have been continuing with our text 'Paddington at the Palace' and have been writing our reply letters back to Paddington. We have also been carrying out a Gummy Bear Science experiment in which we put Gummy bear sweets into different liquids and left them overnight to see what would happen to the bears.

100% Club Attendance

Class % Attendance			
RP	94%	3H	95%
RW	87%	4W	99%
1T	96%	4L	95%
1C/P	99%	5J	99%
2N	98%	5G	96%
2C	97%	6T	94%
3P	99%	6M	96%

Well done to 1C/P, 3P, 4W & 5J on the highest attendance this week!!

Year 3 and 4

Year 3 have had a fantastic time this week with our Computing lessons. We have worked as computer programmers, creating our own algorithms to make events happen within a programme. We have also thought about how to debug a program, fixing issues when things do not work as planned. This week Y4 have been working on their Roman Soldier diary entries. They have worked really hard to include a range of language features including emotions, adjectives, fronted adverbials. They have then been publishing them in the style of Flossie's diary.

Years 5 and 6 Year 5 Morning of Music

On Monday, Year 5 took part in the Coventry Morning of Music Festival. This was a wonderful opportunity for the children to share and perform the songs learned, to a live audience of Primary School Children. Great fun was had by all performing and enjoying the music!

Year 6 Practical Science Work...

This week Year 6 completed their Body Pump Science topic with another practical lesson. On Tuesday, we spent the morning learning about the heart and its functions before dissecting a lamb's heart for a real hands on experience. We have had such fun throughout this topic making our own blood and creating a circulatory system!
