## Issue 33

WB 24<sup>th</sup> June 2019

## This Week at Hearsall

On Tuesday, Hearsall welcomed Olympic bronze medal gymnast, Kristian Thomas into school to carry out some fun, sporting activities and show off his gymnastic skills. All the children in school had the opportunity to train with him, for a short time, as well as ask him questions about his steps to Olympic success.

All the children - and even some of the staff - thoroughly enjoyed participating, and especially loved seeing him perform handstands, handsprings and flying forwards rolls in assembly. Some of our own budding gymnasts were even lucky enough to meet him personally, and perform some of their own tricks for him.

Given how hard the children worked in their activity session, it is now time for us to support them in collecting their sponsor money. This will help raise funds to buy school equipment. Sponsor forms, and money, should be returned to school, or donated online, no later than Tuesday 2nd July

We are pleased to announce the new rooms for Hearsall Horizon Club will be ready for us to use in September. We would like to run the summer holiday club from our new setting. Please note that holiday club will only go ahead if numbers are sufficient, the dates and times are:

- Monday 19<sup>th</sup> August - Friday 23<sup>rd</sup> August (7.45 am-6.00 pm)
- Tuesday 27<sup>th</sup> August - Friday 30<sup>th</sup> August (7.45 am-6.00 pm)
- Monday 2<sup>nd</sup> and Tuesday 3<sup>rd</sup> September (7.45 am- 6.00 pm).

The cost for holiday club will be £25.00 per day. We offer a reduced rate of £20.00 per day for siblings and if you book a full week. Please contact me by 5<sup>th</sup> July at [preeve@hearsallacademy.org](mailto:preeve@hearsallacademy.org). We will be providing breakfast and an afternoon snack. Children will need to bring a packed lunch with them. In the new setting the children will have lots of new toys, a new football table, basketball hoop, mini pool table and lots of outdoor equipment.

Have a lovely weekend and enjoy the sunshine!!

*Claire Jones,*  
Headteacher

## Nursery and Reception

We have had a very exciting week in Nursery. We carried on our theme of 'People Who Help Us' and two very special visitors came in to talk to the children

about how they can help us. Robin's dad came in to talk to us about how police officers

help us in the community and Imaan's mum talked to us about her role as nurse. The children loved hearing about what they do in their jobs and they loved sharing their own experiences and knowledge. Thank you so much for coming in to help us.

Reception have had a fantastic time today on their class trip! They visited Earlsdon Library and took their teddy bear's on a picnic at Butts Park. A huge thank you to all of our parent volunteers who kindly gave up their time to join us. The children enjoyed every second - from exploring the books the children's library has to offer, learning how to borrow books with our library cards and then taking part in a picnic with all of our friends and teddy bears. It was a lovely celebration of all of their achievements this year!

## Year 1 and 2

This week in Theme the children have been looking at the story of Grace Darling. They watched a short video about her life and the night that made her famous! We were really impressed with the quality of their work as they wrote newspaper articles about her heroic actions. Well done Year One!

Year 2 had a wonderful trip to Beaumanor Hall last Friday dressed as pirates as part of our 'Ahoy There' theme. The children had a fantastic day building on their maths problem

solving skills, with fun pirate themed games such as a game of pairs, cannon ball throwing, treasure map reading, and a fun maths trail. As well as taking part in a grog run and entering a Cavern to learn more about pirates.

## 100% Club Attendance

Class % Attendance			
RP	90%	3H	92%
RW	96%	4W	97%
1T	96%	4L	89%
1C/P	95%	5J	99%
2N	97%	5G	99%
2C	93%	6T	99%
3P	93%	6M	97%

**Well done to 5J, 5G & 6T on the highest attendance this week!!**

## Year 3 and 4

Year 3 have worked really hard learning to write instructions. We have thought carefully about the different features that instructions need to have and have used them really well to write instructions about how to make a fire. They are very detailed and include all of the information needed

Year 4 have had a nice week this week. We have started to look at Biographies. We learned about what they are and started to explore their structure and the grammar needed to write one. In Maths we have finished our topic on geometry by exploring symmetry. Finally we have reflected on our trip to Conkers last week, we decided it was a great trip and we would definitely recommend it to other students.

## Years 5 and 6

This week, Year 5 have been writing their own sports reports about Harry Potter's first quidditch match. They have studied the rules, the match itself and have even gone so far as to invent their own set of rules for playing quidditch without flying brooms. Watch this space for more information about how they got on actually playing it...!

The children are continuing to enjoy their Theme work on 'Wild Waters'. This week, Year 6 have been exploring Great Britain and identifying British Coasts on a UK map. They have also been describing human and physical features of coasts and coast lines. Throughout the work, the children have enjoyed working together in 'research team' and building knowledge and understanding together.

Gold Merit Awards	Year R	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
★	Melina E	Martha P	Jordan F	Nathan A	Abdullah H	--	Jack G
	Israel O	Rhianne T	David C	Lacey D	Yuvraj G	--	Alana K Surosh A

## Birthday Zone

**Birthdays from 24<sup>th</sup> June -30<sup>th</sup> June- Happy Birthday!**

D McKinlay - Yr R

A Srinivasan - Yr 5
