

# Welcome to Hearsall Community Academy Early Years Foundation Stage!

*"At Hearsall, everyone feels cared for"*

## Hearsall Academy's Early Years Foundation Stage Aims

- All children are happy, safe and confident throughout our Early Years Foundation Stage
- Children become independent learners in our care
- Children are excited to learn and to come to school
- Children learn resilience and how to maintain relationships with others
- Planning is flexible, meets the needs of individual children and is centred on the personal interests of our children
- Our Early Years Foundation Stage is inclusive of all children regardless of race, gender, background or sex
- The environment is accessible to all children
- Children have access to a stimulating and engaging indoor and outdoor learning environment
- Children have the opportunity to safely explore risks
- Children learn how to challenge their own learning
- We work collaboratively with our parents to ensure strong home-school links and excellent communication
- Children leave our Early Years Foundation Stage equipped with a strong set of skills to enable them to be school-ready
