

Dear Parents/Carers,

At Walsgrave we use an online learning journal system called Tapestry to track and record all your child's learning. It is a fantastic resource that allows you to see what your child has been doing and you can also upload your own observations by either accessing the Tapestry app or by going on the website.

In order to set up an account for you and your child please could you fill in the details below. Any questions about this do not hesitate to contact Mrs Ashworth.
