**Autumn 1**  
WB 21<sup>st</sup> September 2020

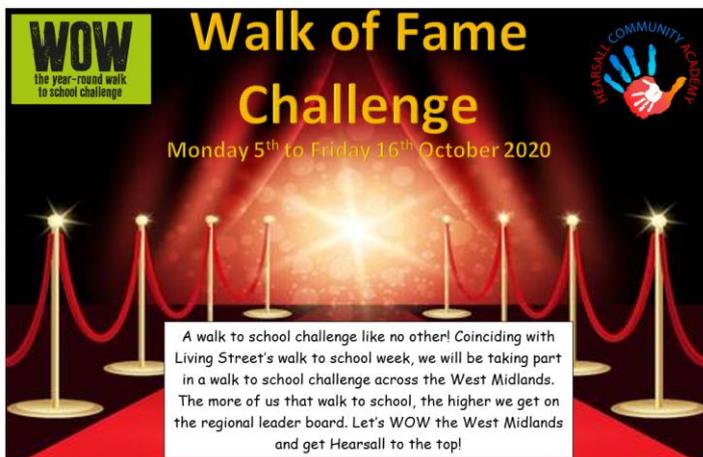

This week's news includes:

Teaching and learning information

Health and mental wellbeing

UK Government advice

School advice and help for parents

I am happy to tell you we are starting up our Walk to School challenge. This is an all-year-round initiative that is coordinated by a national charity. It is even more important at the moment to get active again! Please support your child to win monthly badges for being active and walking to school. This includes Park and Stride for those of you who have to drive. This means you are keeping our children safe by not parking near school and improving the air quality for all our children. Please see the map below which shows where you can park and walk. The red roads should not be used for parking or dropping off, yellow roads are OK but green roads are safe and good to use to park and walk to school. **It only takes a few extra minutes to keep us all safe.**

**Important:** Please remind children who have small individual antibacterial gels that they can't top it up with water! It won't work and will not effectively kill germs and bacteria! Thanks ☺

Have a lovely weekend,  
*Claire Jones,*  
Headteacher

♥ Thank you so much to everyone who helped to turn Hearsall **Gold** for Ben! It was a wonderful day and full of smiles and laughter - just like Ben would want! We raised £265 for Ben's Charity and see the pictures on the next page to raise awareness of **Children's Cancer Awareness Month. Bennis badges are still on sale at the main office.** A very special mention for Abbie G who showed incredible determination and commitment selling gold ribbon and painted rocks everyday outside her house for 2 weeks! Abbie has raised an amazing £530! What an awesome effort - huge well done to Abbie! (See pictures below)

## Check if you or your child has coronavirus symptoms

Click the header above to go to the government website for info and support

We are really keen to get everyone fit and active again after lockdown. Please click the link below to look at ideas from the BBC for a healthy lunch box! Please remember we only allow healthy snacks for break time!

**\*\* IMPORTANT \*\* IMPORTANT\*\***  
Remote learning is now being trialled for Years 3 and 6. Check out the learning under the **Remote Learning** tab on the Hearsall website: [www.hearsallacademy.org](http://www.hearsallacademy.org)

Birthday Zone

Birthdays from - 21<sup>st</sup> September - 27<sup>th</sup> September - Happy Birthday!

Kai E - N

Rowan H - Yr 4

MJ B - Yr 4

Ryan K - Yr 5

Isla T - Yr 5

**CHILDHOOD CANCER  
AWARENESS MONTH**

# Inspire Remote Learning - Update

## Online Resources

This week we added Remote Learning resources for Year 3 and 6 as our first week trial. You access these through Hearsall Community Academy website and by clicking on the Remote Learning tab on the Home Page. These are directly linked to the learning that is happening in your child's classroom each week with PDF slides, video-clips and resource sheets. We will continue to add more year groups next week.

## Technology

To find out how we can support families at home access and use our Remote Learning resources, we have put together a brief Remote Learning Survey Monkey Questionnaire. This will enable us to support families where there isn't any device, or one device is being shared amongst a number of children/ adults. This may become an issue to access Remote Learning resources if everyone has to self-isolate for a period of time. The DfE are providing schools with some technology support to distribute to families but we are looking for ways to increase this at XX Academy.

Please click on the link below to access our questionnaire.

Parking guidance around Hearsall Community Academy

**Please do not park on this road at the beginning or end of the school day**

**Can be used as safer parking**

**If you park here you can class it as walking to school 😊**
