Autumn 1

WB 28th September 2020

This week's news includes:

Teaching and learning information

Health and mental wellbeing

UK Government advice

School advice and help for parents

It has been such a pleasure to walk around the school and see the lovely learning going on everywhere. It has been a busy week and the weather has mostly been on our side! Children are so happy to be back in the routine of learning and being with their friends and it is great to see.

Please click on the link on the right for more information about how to check symptoms. We know it is confusing but we will always keep you informed of latest updates.

Next Friday (9th) we will be holding a FOOTBALL SHIRT DAY IN MEMORY OF RAYAN. As many of you know Rayan Spagnol passed away last year and we want to keep his memory alive with a brilliant fun day. The staff will also be taking part in SOAK THE TEACHER to raise money for the British Heart Foundation. Your child can wear a football shirt on that day with uniform on the bottom. Rayan was an avid football fan and this is a great way to remember him and his smile. You can send in a donation and/or 50p (for 3 sponges) for your child to have a go at soaking the teacher with many staff involved including myself, Mr Thomas, Miss Smith, Mr Lancashire, Miss Mushing and Mrs Bailey. We hope the weather isn't too cold!! (It will all be carefully organised with social distancing in mind). More information and reminders on Dojo next week.

Have a lovely weekend,

Claire Jones,
Headteacher

Hearsall is proud to be one of the first schools taking part in the NSPCC Speak Out, Stay Safe programme. We will be holding class assemblies and workshops next week.

Building Confidence Through Dance, A Positive Approach

We are so pleased to be able to welcome Leivers Dance back to Hearsall. It has taken lots of arranging but there are now spaces in the Year1/2 class. Email: charlotte@leiversdance.co.uk if you are interested.

Last year we were lucky enough to have the Confucius Institute from Coventry Uni to come in and deliver Chinese lessons. Due to Covid they have now provided a fantastic online resource and learning platform for children from UK and China! Please click the link for videos and fun learning!

Year 2 have had great fun this week sorting different toys. We looked at different ways

we can classify toys according to the age's group, material, size or weight. Great job year 2, well done!

Year 3 have had an amazing start to their new English book 'Claude in the City' by the local author Alex T Smith. Last week we wrote questions to find

out more information about the character, Claude then came to visit us to answer them!

Although he looked a little like a teacher we know!

In English this term Year 6 have been studying 'Kensuke's Kingdom' by Michael Morpurgo. The children have thoroughly enjoyed reading all about

Michael, a young boy who has been washed up on a mysterious island all alone.

Across both of our classes we have had some FANTASTIC work so far, just look at these wonderful maps of the desert island! Well done Year 6!
