

Hearsall Community Academy Starting School Zoom Event

Is your child starting Reception in September 2021?

Not fully sure which school to choose as it's been harder to look around settings during coronavirus pandemic?

Why not join one of our informal 'Meet the Team' Zoom events on Wednesday 3rd March either at 5:30pm or 7:00pm?

Mrs. Jones (Headteacher) and the fabulous Reception team will be there to talk all things Hearsall and, the most important thing, how we will make sure your child has the very best start to their school life.

To attend this event or request more information, click on the link to complete our quick and easy Forms survey or ring 02476 674625 to talk to one of the team.
