Spring 2

WB 15th March 2021

This week's news includes:

Teaching and learning information

Alfie's Corner - (mental wellbeing)

UK Government advice

School advice and help for parents

At last, something fun on the calendar with no mention of Covid! The children thoroughly enjoyed today with red noses, red clothes and loads of smiles!

Please see the really important information on HAF (Coventry Holiday Activity and Food Programme). This has loads to offer families who qualify including food vouchers and breakfast pack, activity packs and access to online activities. Please see the attachment for details for all children who qualify for free school meals.

On Tuesday morning we will be holding a silence to join in the National Day of Reflection. Covid has affected a great number of families and so many have lost loved ones. We will be following the reflection time with activities of hope by planting flowers as a symbol of hope for the future.

Have a lovely weekend,
Claire Jones,
Headteacher

Alfie's Corner

Love from *Alfie*

I love Red Nose Day (even though my nose is black!). Here's some of my favourite jokes...

What do dogs eat for breakfast?

Poached eggs 😊

What kind of dog likes to take a bath?

A shampoodle 😊

What are your favourite dog jokes?

JOIN THE

National Day of Reflection

23 March

We're supporting the National #DayOfReflection for everyone who's been bereaved in the last year.

Looking after a child or young person's mental health

We have seen an increase in anxiety in children. NHS Every Mind Matters has lots on information on children's mental health support including going back to school after Covid closures. Click the pic.

Birthday Zone

Birthdays from - 15th March - 21st March - Happy Birthday!

Joanna A - RKP
Hannah R - RKP

Hooriya Z - 2P
Waar I - 2M

Arianna C - 2M

Harley H - 6M

Markus R - 6M

This week, 2P were very lucky to have a virtual visit from Safety Seymour. Safety Seymour recruited 2P to join his mission to protect everybody from carbon monoxide. The children learnt all about what carbon monoxide is, how it is produced and how it can affect our bodies. The children were shown where carbon monoxide may be detected in the home and were also given their very own carbon monoxide alarm to take home along with other goodies. What great fun all the children had. I know 2M are looking forward to joining Safety Seymours mission on Wednesday.

In English, Year 4 have been researching all about David Walliams. They have used their research to build up to writing their own biography all about the fantastic author. Did you know David's real last name is actually Williams? Also Year 4 have been busy this week creating pieces of artwork based around the fantastic text 'Rain Before Rainbows'. They used watercolours and tissue paper to create an awesome A3 collage!

Over the past few days, everyone in Year 5 has worked extremely hard to create their own Story maps based on Chapters 1 and 2 of Charlotte's Web! With excellent presentation and ordering of key events, the children have really impressed and look more than ready to tackle their first 'big write' (which will be in the form of a Diary Entry) on Friday. Can't wait for next week when the children will be writing a second diary entry from an alternative perspective. Here is a small but fabulous selection! Well done Year 5, keep it up! 🙌
