Dear Parents and Carers,

Following the death of Her Majesty the Queen, we will be limiting our communications throughout the period of national mourning. We will provide urgent and relevant updates as appropriate from our school office. We will of course continue with our usual start of year activities to ensure with our children continue to have a smooth start to the term. We will hold our first parent/Merit assemblies later this month. The period of national mourning will be in place until after the State Funeral. We will keep you updated of any further details.

We are dealing with this subject very sensitively as we realise that we have another bereavement to talk about with children who have already experienced this at Hearsall. If you feel your child requires additional support, please contact Katie Smith, Pastoral Manager.

I'd like to end with this quote from a 14-year-old Princess Elizabeth, from her broadcast to the children of the Commonwealth in October 1940: "And when peace comes, remember it will be for us, the children of today, to make the world of tomorrow a better and happier place".

Yours sincerely,

A handwritten signature in blue ink that reads "C Jones".
