

# SCHOOL UNIFORM

## Dress

We strongly encourage children to wear school uniform. Our school colours are red, grey and white. Sweatshirts, fleeces, cardigans and white polo shirts are available from:

Andy Blair

88-90 Barker Butts Lane, Coundon,

Coventry, CV6 1DY

024 7659 8080

The Schoolwear Company

55 Winsford Avenue

Allesley Park

Coventry

CV5 9JG

We would like children to wear the following:

- ✓ A school sweatshirt or cardigan
- ✓ A white or red polo shirt, white shirt or white blouse.
- ✓ Grey or black trousers or tailored shorts, pinafore or skirt.
- ✓ Grey or black tights or grey, black or white socks
- ✓ In summer: A red checked or striped summer dress, grey tailored shorts or grey skirt and a white polo shirt. Socks should still be worn with summer uniform.

Flat, black sensible shoes should be worn to school - not high heels. If trainers are worn they should be black in colour, including the sole. Slip on shoes are discouraged.

Stud/small sleeper earrings may be worn, but we request that no other jewellery should be worn unless for religious or medical reasons.

Longer hair should be tied back with a simple hair accessory, to minimise spread of head lice and to avoid entanglement.

Please label each item of clothing with your child's name so that lost clothing can be returned quickly to the owner.

Parents/carers can purchase sweat shirts cardigans, polo shirts, book bags etc from Andy Blair or The School wear Company.

### **Key Stage One**

Young children need clothes they can manage independently.

#### **For PE**

- A small, named, drawstring kit bag (no sports bags as there is not room for these in our small cloakrooms).
- White T-shirt, dark-coloured plain shorts and elastic-sided or Velcro pumps.

Longer hair should be tied back with simple hair accessories.

### **Key Stage Two**

The basic information and PE kit are similar to Key Stage One, although at 7+ children can be expected to cope with changing promptly into and out of a range of footwear (e.g. for PE lessons). Extra items needed in Key Stage Two are:

#### **For PE**

- Boots suitable for football, which is played on grass, weather permitting.
- Suitable trainers/pumps for playground games such as netball or hockey.
- Pumps for indoor gymnastics. (Trainers are not suitable for apparatus work).
- Track suits/sweatshirts (may be worn outdoors in cold weather)

The school policy for PE lessons is based on good health and safety practice. For indoor PE activities (except high-impact games such as basketball) pupils may work in bare feet.
