

It is important that your grant is used effectively and based on school need. The Education Inspection Framework makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the Quality of Education Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

**Impact** - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school's budget should fund these.

Pleasevisitgov.ukfortherevisedDfEguidanceincludingthe5kevindicatorsacrosswhichschoolsshoulddemonstrate animprovement.Thisdocumentwillhelpyoutoreviewyourprovisionandtoreportyourspend.DfEencouragesschools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils' PE and sport participation and attainment. All funding must be spent by 31st July 2023.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click HERE.

## **Details with regard to funding**

Please complete the table below.

Total amount carried over for 2021/22	£4,600
Total amount allocated for 2021/22	£23,690 (including carry over)
How much (if any) do you intend to carry over from this total fund into 2022/23?	£0
Total amount allocated for 2022/23	£19,260
Total amount of funding for 2023/23. To be spent and reported on by 31st July 2023.	£22,502 (including parental donation)

## **Swimming Data**

Please report on your Swimming Data below.

Meeting national curriculum requirements for swimming and water safety.

N.B. Complete this section to your best ability. For example, you might have practiced safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.

Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the NC programme of study

What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?  N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.  Please see note above	71% (Children provided with vouchers for extra sessions unable to swim 25m)
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?  Please see note above	67%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	78%
Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	Yes/No

## **Action Plan and Budget Tracking**

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23	Total fund allocated: 19,260	Date Updated:	July 2023	
<b>Key indicator 1:</b> The engagement of grimary school pupils undertake at least	Percentage of total allocation: 12%			
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
Ensure that all students receive national curriculum expectation of 2 hours of PE learning each week.	Timetable slots allocated to allow for this to be provided. Each year group received 2 1-hour slots each week within this. Upskilling provided to teachers ensured high-quality delivery of sessions to all.	£0	Timetables mapped using Curriculum overview to ensure a broad and balanced offer to all children. Links made to School Games content where possible. P.E Hub subscription continued to aid with planning and delivery of sessions when staff were not being upskilled.	Continue with twice-weekly allocation of curriculum lessons. Teachers to use impact of upskilling and PE Hub subscription to implement the curriculum.
Active Maths sessions implemented daily on timetables.	Class teachers provided more active ways to keep their children active throughout the day. Use of Active School Planner heat map has ensured this has been tracked.	£0	Children were provided with daily opportunities to be active.	Continue to provide this next year. Build on this using Onside Coaching external providers to target least active children.

Increased physical activities outside of P.E lessons Walk to School Tracker (Living Streets Travel Tracker)  Full after-school club programme maintained (4 hours per week) Additional Breakfast P.E club set up (1 hour per week)	Travel Tracker accessed and used daily by ALL classes throughout the year. Children received badges as they become more active. Participated in Walk to School week initiative – w.c:15.05.23  Encouraged children (particularly Pupil Premium) to participate in regular physical activity through extra-curricular activity. A diverse mixture of clubs was provided using FSM pupil voice at	£2,865	and from school each day — motivation high to achieve badges. Tracker Percentages showed — - 90% of children were active (walked or park and stride) - Hearsall were the most active school in the local authority during November, December, February and June Class charts, stickers & Web report for class Walk to School Week. Children have been far more	Continue to complete again next year. Compare and contrast figures with this academic year.  Continue to offer 5 hours of extra-curricular activity. Complete a new FSM pupil voice to gain interest in sports to run during after-school activities.
	the end of 2021/22 to promote this (Football, Dodgeball, Basketball, Street Dance, Yoga, Tennis)		r ·	Offer diverse range of clubs – Onside coaching to provide soft archery.
Key indicator 2: The profile of PESSPA	A being raised across the school as a to	ool for whole sch	ool improvement	Percentage of total allocation:
				20%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:

of being active throughout the day.	Sports coaches employed to provide daily lunchtime activities to all. These included games, sports matches and competition preparation. Specific focus on supporting in the Multi-Use Games Area (MUGA), particularly Years 5 and 6.	£2,500	DRA staff reported less behaviour incidents at lunchtime, with an increased awareness of sportsmanship skills – reduced numbers in Supervised play. Year 5 and 6 sports leaders took ownership when providing equipment and when supporting other year groups. First aid book evidences reduction in incidents.	Continue to provide targeted lunchtime support from specialised coaches next year. Focus on keeping children engaged to reduce behaviour incidents and improve concentration levels.
Ensure sports equipment is up to date in line with the planned curriculum and is useful, appropriate and of good enough quality to support teaching of PE and engagement in competitive sports.	Audit and purchase necessary equipment.	£38.95	Resources allowed children, teaching staff and sports coaches to access and provide a wide range of sports to children both within the school curriculum and after-school clubs.  100% of sports coaches reported that equipment was easily accessible and effective for use during upskilling and lessons.	Use the audit already completed by JC and spend part of the remaining budget to ensure equipment is all upto-date again for the start of the next academic year.
Year 6 children to be offered the opportunity to become Sports Leaders.	Children to apply to become a leader, explaining the qualities needed and linking to showing sportsmanship and care (school ethos).	£20.00	60% of children across KS2 applied to become Sports Leaders – 20 children were selected. They took part in the daily set up of sporting equipment and activities for all children at Lunchtimes.	Children to be provided with further Sports Leader opportunities next year, such as supporting with competitions.
To engage EYFS/SEND/PP/Least Active children in physical activity	All EYFS children received allocated PE slot on Friday mornings with Abi Gardner with 100% participation. SEN/PP/Least Active children all given opportunity to partake in School Games Events as part of whole-class PE lesson provision. SEN/PP/Least Active children	*Cross reference CV Life upskill provision	EYFS dance and PE sessions timetabled each week. 100% participation of all children in School Games events (Year 5/6 Sports Hall athletics, Year 6 Inclusive Rowing) 24 children have competed in School Games competitions this	Continue with EYFS provision, as already timetabled. Continue to provide these children with the opportunity to take part in increased activity through School Games, After-school clubs.

			confidence in this area due to this.	
planning toolkit to work from as a base for preparing PE lessons.	Purchase 'The PE Hub' subscription. PE Lead to tailor sessions as appropriate, based on necessary curriculum coverage and the need of individual year groups (looking back at Covid-19 gaps) as well key skills relevant to competitive sports.	£297.50	Staff reported The PE Hub as being a planning support system that was 'easy to use', 'easy to pick up from', and 'helpful to see which resources were needed and relevant for different topics'.	Use previous plans and P.E. Hub to support planning and teaching for all other teachers. (MAT and P.E. Lead to support if needed)
Lunchtime DRAs to be supported and upskilled by CV life coaches to ensure children are better engaged.		£2,500	Children were more active and engaged throughout lunchtimes resulting in DRAs reporting a lower percentage of children needing first aid as less incidents occurred, as well as a lower percentage of children needing to leave the playground. Children had equipment trolleys made up with DRAs show how to best use sporting equipment to support their year groups at lunchtimes.	Continue to support lunchtime staff next year and build upon skills for how to use equipment to support children keeping active and engaged.

of Dance to their year group.	Employ professional dance teachers to upskill teaching staff in the delivery of dance sessions, looking at appropriate skills and expectations for each age group.	£1360	Dance coaches reported a noticeable improvement in children's' abilities. Pupil feedback showed that children enjoyed and were engaged in dance sessions.	Review where dance fits best in line with next year's curriculum overview and target upskilling for specific year groups/staff.
